Statute(s) of ASG Constitution/Code to be interpreted: (**Provide Document, Section, Title, & Page No.**)

_Article II Section 5 A

I hereby petition the Associated Student Government Judiciary to render an interpretation of the
aforementioned statute(s) applied to the following circumstance:

Can a Vice President candidate or any other Exec member serve in a OSA/Center for Community
Engagement/RSO position that is not an exec office?

As specific as I can be: can the Vice President also hold a non-exec role at the VAC?

Also, a lot of RSOs are creating mentorship programs and I would like the constitution to clarify that ASG exec
members could be mentors, holding a title per say but not as executives.

I would like to add to the record that [REDACTED] served as [REDACTED] during [REDACTED]
term as [REDACTED].
