2019-2020 Campaign Expenditure Report

All candidates must submit this form, an itemized budget and receipts/documentation for all of their expenses, as well as documentation for sponsored or donated income, and donated items or services. **This form is due at NOON on March 7th via HogSync or with a paper copy to the Office for Student Activities, ARKU A665.** Please review the ASG Code above for spending limits. President/Vice-President Tickets may submit one (1) report, while each Secretary, Treasurer and Senate candidate must submit individual reports. **Please provide copies of campaign receipts.**

- (A) No Presidential-Vice Presidential official ticket's campaign may spend more than two thousand dollars (\$2,000.00), including donations, for the general election. No Treasurer or Secretary Candidate's campaign may spend more than five hundred dollars (\$500.00) each, including donations, for the general election. In the case of a run-off election, the Presidential-Vice Presidential candidates will be allowed a total of two hundred and fifty dollars (\$250.00) each in campaign expenses per run-off campaign, while each Treasurer and Secretary candidate will be allowed a total of one hundred and twenty-five dollars (\$125.00) in campaign expenses per run-off campaign.
- (B) No Senate candidate's campaign may spend more than three hundred ten dollars (\$310.00) total, including donations for the general election. In the case of a run-off, each candidate will be allowed a total of one hundred fifty dollars (\$150.00) in campaign expenses per run-off campaign.
- (c) **A full, itemized report of all monetary contributions and expenses must be submitted to the OSA as a matter of public record by 12:00 p.m. CT on the day after the general election, and the report will be posted, along with the results of the election on the ASG website as a PDF. In the case of a run-off, additional itemized spending reports will be required by 12:00 p.m. CT on the day after every run-off election and will be posted on the ASG website with the results of the corresponding run-off election. If no money was spent during a candidate's campaign, a report with the candidate's signature is still required.**

Expenditure Report Form Guidelines:

- **All boxes with a \$ must be filled out with a numerical amount. If you have a box that lists a type of income, expense, or estimated cost that does not apply to the expenditures of your campaign, please write "\$0" in the box. If you did not spend any money or receive any donated money or items for your campaign, please list "\$0" in every box. Your expenditure report will be considered incomplete if any boxes are left blank, which will result in your disqualification from the election.**
- **Remember: Total Expenses + Total Estimated Costs MUST = Total Income**
- Under **Income** in "Sponsors/Donations" documentation from sponsors and donors must be provided. Documentation is defined as a note/letter, copy/screenshot of an email or text from the sponsor or donor expressing that they have given money to your campaign. If no documentation is provided, your expenditure report will be considered incomplete, which will result in your disqualification from the election.
- All items listed in **Expenses** must have receipts turned in with them. Any report that lists an item in Expenses but does not provide a receipt as proof of purchase for that item will be considered incomplete, and will result in your disqualification from the election. The only exception to this rule is if an item or service is purchased through a transaction that does not generate a receipt. If you purchased an item through a transaction that did not generate a receipt, please provide alternative documentation (such as a note/letter, copy/screenshot of an email or text from the individual that the item was purchased from).

*The following table should **only** be filled out if you had an item or service donated to your campaign (either by yourself or someone else) and there were **no transactions** involved for the item or service for the campaign. (Examples: Tents used in campaigns that were owned prior to campaigning, printing done on personal printers and computers, etc.)

- If you have questions about whether or not something should be listed in this table, please contact the ASG Chief Justice at asgjcj@uark.edu prior to the final deadline!

Estimated Costs:	
Items Donated by Yourself or Someone Else	\$42.75
Services Donated by Yourself or Someone Else	\$14.60
Misc.	\$0
Total Estimated Costs:	\$57.35

- **Remember: Total Expenses + Total Estimated Costs MUST = Total Income**

I hereby confirm that the above stated expenses are true and correct and that this is the total amount that I/others have spent on my campaign.
