7
8 **A Resolution to Mandate CAPS Information on Syllabi**

9
10 Whereas, Mental health issues are a threat to the wellbeing and
11 success of the students here at the University of Arkansas
12 and across the country,

13
14 Whereas, The University of Arkansas Counseling and Psychological
15 Services (CAPS) offers a wide variety of effective therapies
16 and resources to assist students struggling with mental
17 health issues,

18
19 Whereas, The impact of CAPS resources is limited by lack of student
20 awareness

21
22 Whereas, A policy requiring professors to include a brief section on
23 CAPS resources would guarantee that all students on campus
24 would be exposed to these resources at no cost to CAPS or
25 the University,

26
27 Whereas, CAPS has already agreed to provide a short summary of
28 resources that professors can use verbatim in their syllabi,

29
30
31 Be it therefore resolved: That the Associated Student Government
32 Senate encourages the University of Arkansas
33 Faculty Senate to pass legislation mandating
34 professors add this vital section to their syllabi,
35 and to emphasize this during their discussion
36 of the syllabus

37
38 Be it finally resolved: A copy of this legislation be sent to the Faculty
39 Senate for review and enactment.
