Mike Calway-Fagen Lecture Summary

We intend to bring Mike Calway-Fagen in to display and speak about work that have become popular in galleries and museums nationwide. Mike displays great skills in multiple media and with our new ATL lab and other new media advantages this may be an inspiring way of bringing more people into the 3-D media pool. Overall I believe this budget seems fair and we can hopefully bring Mr. Calway-Fagen to the University of Arkansas.

"First Round Approved - ACTION REQUIRED

I am pleased to inform you that your budget has been first round approved by the ASG Office of Financial Affairs Board. To help the Board make its final decision next Thursday, please answer the following question(s) and/or concerns by next Wednesday:

1. Why are two nights necessary?
2. Where is the guest coming from? Tennessee or Indiana?

Thank you and please let me know if you have any questions!"

Zachary W Knebel (11/6/17 11:49 am)

"Our speaker will be coming from Tennessee. Regarding the two nights Mike will be visiting for an installation, deinstallation, as well as his lecture and the extra night will make it easier for the separate occasions. Our last speaker came for 5 days and was given a one night stay we ended up having to lodge him with a professor and in the end it felt very unprofessional. We were lucky that he and the professor were college friends, but on this occasion the speaker will not have a relationship such as this to ease the lodging."

Macarena Arce (11/8/17 2:36 pm)

"Thank you for your response. I will let you know the results of your budget after our meeting on Thursday. Please look forward for another comment then."

"FUNDING DECISION

I am pleased to inform you that your budget has been second round approved. Please e-mail Ms. Jody at jodyp@uark.edu or see her at ARKU A665C within three (3) business days to schedule an appointment and pick up your funding packet. Funding is approved based on the budget submitted to the committee and the associated dialogue between the Registered Student Organization and the ASG Financial Affairs Board. Once your event and/or conference has been approved for funding, please note that no further changes can be made to the event and/or conference. Please note that communication between your RSO and the Office of Student Activities should be led by students. This includes but is not limited to newswire stories, creating and submitting advertisement/promotional materials, and answering any questions the staff may have. If the amount approved is greater than the amount requested it is because the board added taxes to it.

Please let us know if you have any questions!"
