Description and purpose of event/program and how it relates to your organization's mission, as well as how the event relates to the RSO Purpose of Funding Mission [Required]

This event is going to be a series of educational speakers talking about the current homeless issue in North West Arkansas. We are going to have the Jones Chair of NWA in Dr. Fitzpatrick speak about the current homeless statistics and how they have grown drastically in the past decade. Then we are going to have three service providers one from each organization come and explain what they do for the community. The organizations are Salvation Army, 7hills, and House of hope. The service providers are going to explain what volunteers do for them and what students could do if they wanted to volunteer. This relates to the RSO purpose of funding because we are facilitating intellectual engagement by informing the University of Arkansas students of the issue of homelessness that is being overlooked in our own backyard. It also fosters campus community by calling our members to come together over dinner and socialize local service providers.

How will you advertise this event to attract students beyond your organization [Required]

Please note, RSO Listserv, Newswire, & Campus Calendar listings are MANDATORY for all funded events.

We plan on going to Razorbash to help market the event before. We also plan on requiring our members to go. Also we will advertise by printing out fliers and stickers.

How will this event or program bring educational value to the students at the University of Arkansas? Please be very specific. [Required]

This will bring educational value to the students because they will get to see and understand the problem of homelessness in NWA. They will be shown statistics on its growth along with the issues to why they are there. They will have the opportunity to speak with the caretakers who interact with those in need everyday. It will be a great learning experience for everyone involved.

Is the primary purpose of this event recruitment of new members for your RSO? [Required]

[X] NO

If you are bringing a guest speaker, performer, artist, etc., please provide a short biography [Required]

"We were planning on printing out normal sized paper posters and asking if we could post them in residence halls. Also, we were planning on posting on our social media outlets as well as our website. Our 105 members will have an option between attending this educational event or the next one but attendance for one is mandatory. We will advertise on the mandatory advertising RSO listserv, Newswire, and Campus calendar listings."

"FUNDING DECISION

I am pleased to inform you that your budget has been second round approved. Please e-mail Ms. Jody at jodyp@uark.edu or see her at ARKU A665C within three (3) business days to schedule an appointment and pick up your funding packet. Funding is approved based on the budget submitted to the committee and the associated dialogue between the Registered Student Organization and the ASG Financial Affairs Board. Once your event and/or conference has been approved for funding, please note that no further changes can be made to the event and/or conference. Please note that communication between your RSO and the Office of Student Activities should be led by students. This includes but is not limited to newswire stories, creating and submitting advertisement/promotional materials, and answering any questions the staff may have. If the amount approved is greater than the amount requested it is because the board added taxes to it.

Please let us know if you have any questions!"
