Please describe the purpose of the conference and how attending this conference will benefit your organization [Required]

Six officers and three members will be attending International Justice Mission's Liberate Conference to meet with and get trained by IJM professionals and gain a better understanding of the global state of modern day slavery. This is International Justice Mission's primary annual event and they bring in representatives from each of their field offices around the world. The leadership of IJM UARK has been recommended to attend this event by dozens of anti-trafficking professionals but has been unable to do so due to financial constraints. The event is hosted by our parent organization who will share the overall mission of IJM along with the latest ideas for spreading human trafficking awareness on university campuses. All IJM campus chapters are encouraged to attend this event to connect and share ideas with other campus chapters. This event will provide input on how to better lead our organization with further resources and educational material to be shared with group members.

"First Round Approved - ACTION REQUIRED"

I am pleased to inform you that your budget has been first round approved by the ASG Office of Financial Affairs Board. To help the Board make its final decision next Thursday, please answer the following question(s) and/or concerns by next Wednesday:

1. Which price are you trying to use?

2. Why are you not using the student registration price? \$99 due on 9/28.
3. Please be aware of our 5 week deadline.

You can comment here or send me the responses to asgtres@uark.edu
Thank you and please let me know if you have any questions!"

"Whenever my team and I were putting together the budget request, we missed the student ticket deal. I have now given it a look and there is no reason we can't use the student registration price! I'm sorry for any inconvenience this causes."

John S James (4/13/18 10:15 am)

"This would change our budget request to \$945.27 for 9 students at \$105.03/ticket."

Macarena Arce (4/16/18 1:55 pm)

"Thank you for your response. We will let you know the results of your budget after our meeting next Thursday. Please look forward for another comment then."

"FUNDING DECISION

I am pleased to inform you that your budget has been second round approved. Please e-mail Ms. Jody at jodyp@uark.edu or see her at ARKU A665C within three (3) business days to schedule an appointment and pick up your funding packet. Funding is approved based on the budget submitted to the committee and the associated dialogue between the Registered Student Organization and the ASG Financial Affairs Board. Once your event and/or conference has been approved for funding, please note that no further changes can be made to the event and/or conference. Please note that communication between your RSO and the Office of Student Activities should be led by students. This includes but is not limited to newswire stories, creating and submitting advertisement/promotional materials, and answering any questions the staff may have. If the amount approved is greater than the amount requested it is because the board added taxes to it.

Please let us know if you have any questions!"
