9 **Proclamation Recognizing Officer Stephen Carr**

10
11 Whereas it is the honor of the Associated Student Government Senate to
12 recognize and commend the efforts of those who contribute to better the
13 University of Arkansas, the Associated Student Government Senate would like to
14 recognize Officer Stephen Carr for his service to the City of Fayetteville, as well as
15 to the student body of the University of Arkansas who frequented the areas
16 Officer Carr patrolled. Officer Carr served the city with dedication and honor for
17 two and a half years, receiving the Unit Meritorious Performance Award in 2018.
18 Regarding his character, his colleagues, friends, and family members described
19 him as both compassionate and caring. The tenants on Dickson St., with whom
20 he collaborated closely while working his beat, valued his service greatly.
21 Particularly, the owners of JJ's Grill and other popular establishments in the area
22 have noted the positive impact he had in our community. Numerous testimonies
23 describe his compassion for students who spent time on and around Dickson St.
24 throughout Officer Carr's time in the line of duty. Having recently graduated
25 from Southwest Baptist University (SBU) himself Officer Carr was in a unique
26 position, as he was able to more closely relate to students, while at the same time,
27 protect the interests of the merchants on Dickson St. and the City of Fayetteville.
28 Officer Carr played football at SBU and attended The Woodlands High School in
29 Houston, TX. He was also a big fan of The Backstreet Boys, and loved to hunt.
30 The ASG and student body would like to extend our deepest sympathies to Officer
31 Carr's family, and assure them that he and his work to protect our community
32 will never be forgotten.

33 The Associated Student Government Senate is honored to write this
34 proclamation posthumously and in appreciation of everything Office Carr did for
35 the University of Arkansas.
